Because CSI is a TSDF, an overwhelming majority of the waste exported by CSI is generated by other facilities. Therefore, there is no plan to reduce the amount of hazardous waste exported by Chemical Solvents, Inc.

Generator Certification

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
